

## Industrial Automation Products & Solutions

### Omron F3SG-RE Series Light Curtain, Sender & Receiver, 36 Beam(s), 30mm Resolution

ผู้ผลิต : Omron

รหัสสินค้า : F3SG-2RE0750P30

## Specifications

| คุณลักษณะ                 | รายละเอียด                                                                            |
|---------------------------|---------------------------------------------------------------------------------------|
| Series                    | F3SG-RE                                                                               |
| Beam Resolution           | 30mm                                                                                  |
| Component Type            | Receiver, Sender                                                                      |
| Safety Type               | 2                                                                                     |
| PL EN ISO 13849-1         | c                                                                                     |
| Number of Beams           | 36                                                                                    |
| Protective Height         | 750mm                                                                                 |
| Minimum Scanning Distance | 0.3m                                                                                  |
| Maximum Scanning Distance | 20m                                                                                   |
| Maximum Response Time     | 135 (OFF to ON Not Synchronized) ms, 35 (OFF to ON Synchronized) ms, 7 (ON to OFF) ms |
| Length                    | 35mm                                                                                  |
| Height                    | 750mm                                                                                 |

|                |                                                                                                                                                                                                                                                                                                                                       |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Supply Voltage | 24 V dc                                                                                                                                                                                                                                                                                                                               |
| Dimensions     | 35 x 35 x 750 mm                                                                                                                                                                                                                                                                                                                      |
| Application    | Arm, Finger, Hand                                                                                                                                                                                                                                                                                                                     |
| Terminal Type  | 4-Pin M12 Connector                                                                                                                                                                                                                                                                                                                   |
| Features       | Downsized, Easy Adjustment after Mounting, Ensuring Safe Restart, No Torque Control Required, Protected with Protection Cover, Quick Troubleshooting, Reducing Stops Due to Mutual Interference, Reliable Even in Harsh Environment, Robust & Compact Design, Slim Housing, Smart Muting Actuator, Used in Global & Harsh Environment |
| Width          | 35mm                                                                                                                                                                                                                                                                                                                                  |
