

## Industrial Automation Products & Solutions

### Eaton Surge Suppressor for use with DILK33 to DILK50 Series, DILM40 to DILM95 Series, DILMP63 to DILMP200 Series, 110

ผู้ผลิต : Eaton

รหัสสินค้า : 281207 DILM95-XSPR500

## Specifications

| คุณลักษณะ      | รายละเอียด                                                                   |
|----------------|------------------------------------------------------------------------------|
| Accessory Type | Surge Suppressor                                                             |
| For Use With   | DILK33 to DILK50 Series, DILM40 to DILM95 Series, DILMP63 to DILMP200 Series |
| Voltage Rating | 110 <arrow/> 240 V ac                                                        |
| Mounting Type  | Plug In                                                                      |
| Size           | 25 x 9 x 28mm                                                                |
| Series         | DILM                                                                         |
